

Yassin Abdelaal Marei

Front-End Web Development

Portfolio | [LINKEDIN](#) | [GITHUB](#) | yasinmar3i3015@gmail.com | (+20)1090257503

Objective

I am a dedicated and fast-paced front-end developer with a Bachelor's degree in Electronic Engineering from Menoufia University. My passion for continuous learning keeps me up to date with the latest industry trends and technologies. I am currently seeking an opportunity to work as a front-end developer in a reputable and value-driven company where I can contribute to the company's success.

Experience

Frontend Internship at CREADEV Company [Certificate]

Shibin-Alkom – Menofia – Egypt

October 2022 – March 2023

- Assisted in the development of user-friendly web interfaces using HTML, CSS, and JavaScript.
- Gained hands-on experience with modern front-end frameworks and tools.

Freelancer Frontend Developer (HTML, CSS, JS, and Bootstrap)

November 2022 – September 2023

- Delivered high-quality, responsive websites for a variety of clients.
- Implemented custom designs and functionalities using HTML, CSS, JavaScript, and Bootstrap.
- Ensured cross-browser compatibility and optimized web pages for performance.
- Communicated effectively with clients to understand their needs and deliver solutions that meet their requirements.

Frontend Developer at Bayanatz (part-time, remote)

September 2023 – Present

- Developed and maintained front-end components for web applications.
- Ensured cross-browser compatibility and optimized performance.
- Collaborated with back-end developers to integrate APIs.
- Utilized modern front-end technologies and frameworks to enhance user experience.

Technical Skills

- HTML & HTML5.
- CSS & CSS3.
- JavaScript .
- Bootstrap.
- APIs Integration.
- Firebase.
- React.js (Basics).
- Git | github.
- C++ | C# | Java.
- OOP.
- Data Structure.

Education

Faculty of Electronic engineering, Menofia university September 2018 – July 2024

Department of computer science engineering.

Bachelor's degree

Projects
